

PTT Oil & Retail Business Plc.

VISION “Leading Thai global brand enriching community values through oil, retail, and related businesses”

MISSION
“To conduct integrated oil, retail, and related businesses both domestic and international as a globally recognized company, which creates values and engages all stakeholders”

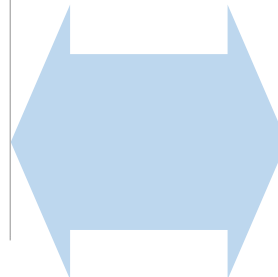

Our perspective on plastic waste crisis

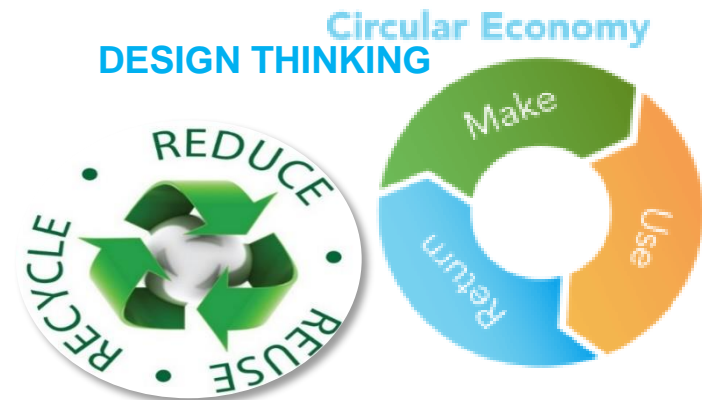

Plastic Waste is Global Challenge

Plastic brings many benefits
and convenience to everyday life.

It depends on how we
manage plastic waste.

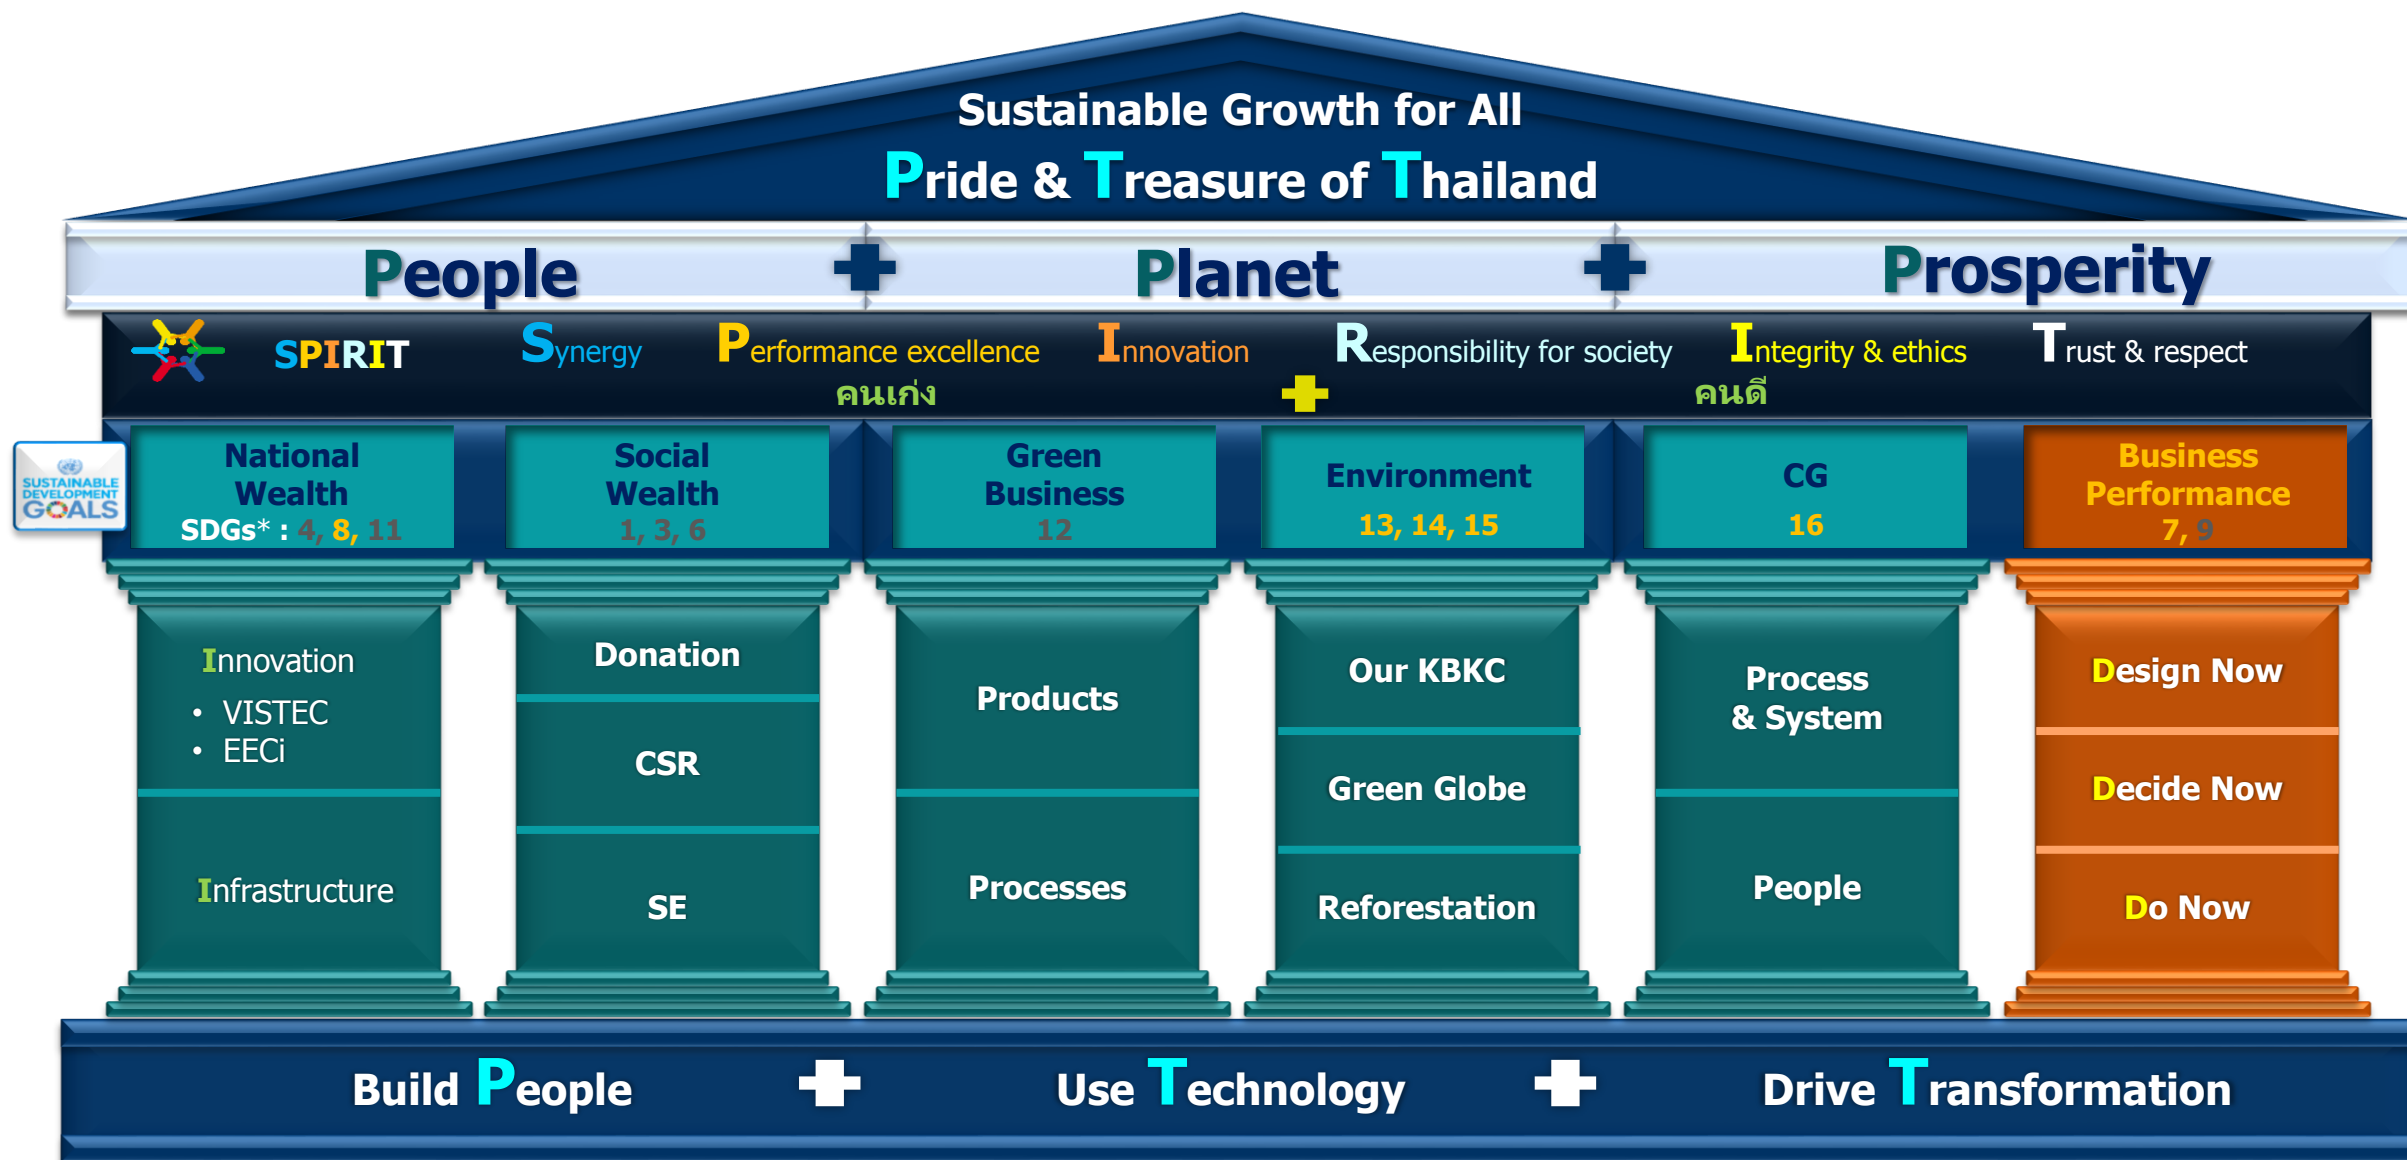

Say **No To**
Single Use
Plastic Bags

Don't blame the plastic, blame yourself!

PTT's "Sustainable Development Model" for "Sustainable Growth for All"

Plastic waste management strategy & actions

Our Goals

Create Awareness & Cultivate the habit of waste sorting in Thai society

Reduce plastic usage & waste our businesses generate

Create Circular Economy

PTT stations

Yak Lak Yim (sorting for smile) – recycled wastes are collected at the station while using the income derived from selling sorted waste for social and community development

Refund machine – collect points for recycled bottles at the refund machine to exchange points for special discount & promotions.

Planning together with PTT affiliates for total integrated plastics waste management

Bring your own cup, Get 5 baht discount to encourage habit change

Café Amazon
